

## **CURRICULUM VITAE**

**Phan Quoc Khanh (October 2015)**

- PhD: Institute of Mathematics, Polish Academy of Sciences, 1978
- DSc: the same institute: 1988
- Associate Professor: 1984
- Full Professor: 1992,
- Adjunct Professor of Federation University Australia 2013-
- Fellows of The World Academy of Sciences (TWAS), for Advancement of Science in Developing Countries 2013-
  
- Associate Editor: Acta Mathematica Vietnamica, Vietnam Journal of Mathematics, Thai Journal of Mathematics, Vietnam Journal of Mathematical Applications, Journal of Fixed Point Theory, Journal of Nonlinear Analysis and Optimization
  
- Fields of Interest: Optimization: nonsmooth, vector problems, set-valued problems, stochastic problems; Mathematical Programming; Variational Analysis; Operations Research; Optimal Control
  
- Publications: **6** books and **110** papers in international journals
  
- Thesis Advisor:
  - + 20 PhD theses (15 defended)
  - + 120 master theses defended
  
- Member: Vietnamese Mathematical Society (Vice President), American Mathematical Society, South-East Asian Mathematical Society, International Working Group on Generalized Convexity/Monotonicity; Pacific Optimization Research Activity Group
  
- Reviewer for Mathematical Reviews and many international journals
  
- Long Scientific Stays:
  - + Institute of Mathematics, Polish Academy of Sciences, Warsaw, Poland, September-December, 1989, and July-December, 1991

- + National Institute of Applied Sciences, Rouen, France, July-August, 1997
  - + University of Limoges, France, September, 1997
  - + University of Namur, Belgium, October-December, 1997; November, 1998-January, 1999; October-December, 2001; and September-December, 2007
  - + University of Montreal, Canada, September-October, 1998
  - + Pukyong National University, Busan, Korea, December, 2002 and June, 2006
  - + University of Pau, France, October-November, 2003
  - + National Sun Yat-sen University, Kaohsiung, Taiwan, January, 2008-January 2009
  - + Banaras Hindu University, Varanasi, India, March 2009
  - + Indian Institute of Technology, Kanpur, India, April, 2009.
  - + Universiti Sains Malaysia, Penang, Malaysia, June, 2009
  - + Federation University, Australia, August, 2009, July-August 2012, April 2014
  - + University of California Davis, USA, October, 2009-September, 2010, January-February 2015, July-August 2015
  - + Universidad de Federal do Rio de Janeiro, Rio de Janeiro, Brazil, August 2010
  - + Facultad de Ciencias, Fisicas y Matematicas, Universidad de Chile, Santiago de Chile, April-May 2011
  - + National Changhua University of Education, Taiwan, November-December 2011
  - + Vietnam Institute for Advanced Study in Mathematics, February-June, 2012, and February-April 2013
  - + Naresuan University and Chiang Mai University, Thailand, December, 2012, July-August 2014
  - + University of Bourgogne, Dijon, France, May-June, 2013
  - + Harbin University, China, June-July, 2013
- Scientific committee member of many international conferences (Co-Chairman of some among them)
  - Keynote speaker, plenary speaker, or invited speaker of a number of international conferences

- Employment history:
  - + 1968-1974: Assistant and Faculty Member at Vietnam Military Academy of Technology
  - + 1975-1978: PhD. Student, Institute of Mathematics, Polish Academy of Sciences, Warsaw
  - + 1978-1984: Faculty Member at Vietnam Military Academy of Technology and Researcher at Institute of Mathematics of Hanoi
  - + 1984-1987: Postdoctoral Fellow, Institute of Mathematics, Polish Academy of Sciences, Warsaw
  - + 1988-1993: Professor at Vietnam Military Academy of Technology and at Institute of Mathematics of Hanoi
  - + Director of Center for Control and Optimization, Vietnam Military Academy of Technology: 1990-1993
  - + Head of Department of Mathematics and Computing Science, University of Hochiminh City: 1993-1998
  - + Head of Department of Optimization and System Theory, University of Science of Hochiminh City: 2000-present
  - + Dean of Faculty of Scientific Fundamentals, Vietnam Posts and Telecommunications Institute of Technology: 1999-2004
  - + Rector of International University, VNU Hochiminh City: 2003-2007
  - + Head of Department of Mathematics, International University, VNU Hochiminh City: 2005-2013 and Professor here until now
