

CURRICULUM VITAE
Fabián E. Sáenz

POSITION TITLE

Associate professor, Center for Research on Health in Latin America, Pontificia Universidad Católica del Ecuador

EDUCATION & TRAINING:

START MONTH/YEAR	END MONTH/YEAR	DEGREE (<i>if applicable</i>)	INSTITUTION AND LOCATION	TRAINING MENTOR	SCIENTIFIC DISCIPLINE
5/2013	6/2013		Centers for Disease Control and Prevention	Venkatachalam Udhayakumar Ph.D.	Molecular methods to study malaria parasites
8/2008	2/2011	Postdoc	University of South Florida	Dennis Kyle Ph.D.	Drug discovery
8/2002	5/2008	Ph.D.	University of Notre Dame	John Adams Ph.D.	Molecular parasitology
8/1995	2/2001	B.Sc.	Pontificia Universidad Católica del Ecuador	Eugenio del Pino Ph.D	Developmental biology

PROFESSIONAL POSITIONS:

START MONTH/YEAR	END MONTH/YEAR	POSITION TITLE	DEPARTMENT	INSTITUTION AND LOCATION
1/2013	Present	Associate professor. Malaria research	Biology	Pontificia Universidad Católica del Ecuador, Quito, Ecuador
3/2011	12/2012	Assistant profesor. Malaria research	Biology	Pontificia Universidad Católica del Ecuador, Quito, Ecuador
10/2001	07/2002	Health and Environment supervisor: OEPC pipeline project, Ecuadorian Amazon	Health, safety and environment	Joint Venture, Condoto, Harbert, Santos CMI, Ecuador
2/2001	07/2001	Research assistant. Cell and Developmental biology	Biology	Pontificia Universidad Católica del Ecuador, Quito, Ecuador

Research interests:

- Molecular biology techniques to support malaria elimination in Ecuador
- *Plasmodium* antimalarial resistance in Ecuador
- *Plasmodium* molecular epidemiology in Ecuador

Honors:

- Elected young scientist affiliated member, The World Academy of Sciences for the advancement of sciences in the developing world (TWAS), 2012-2016.
- Graduated with the highest GPA of PUCE, first semester 2000-2001

Awards:

Travel award to attend the Molecular Approaches to Malaria meeting, Lorne, Australia (2016).

Bill and Melinda Gates Foundation Global Health Travel Award to attend the Keystone Symposium in Drug Discovery for Protozoan Parasites, Santa Fe, NM

Fulbright Scholarship to pursue studies at University of Notre Dame, IN, USA

Kellogg Institute for International Studies Graduate Fellowship Award for Graduate Studies at the University of Notre Dame

Active Grants:

Awarded:

Plasmodium vivax alternative invasion pathways in the Pacific Coast of South America. TWAS. Award period: 2/2017-8/2018

Active:

Molecular epidemiology studies of *Plasmodium* in Ecuador. PI: Fabian Saenz, Funded by: PUCE. Award period: 07/2016-11/2017

Latin American Center for Malaria Research and Control (CLAIM). NIH U19AI089702. PI: Socrates Herrera. Funded by: United States National Institutes of Health. Award Period: 2014-2017
